Shoes

Binx has a thing for shoes! Whether it's investigating them or sleeping on them, she always seems interested.

Professional Lounger

Binx makes sure she is always comfortable. Her favorite way to relax is with her legs and paws in the air, belly fully exposed! Binx also loves a cushioned surface!

Christmas Kitty

Halloween might be when Binx first appeared, but Christmas is her favorite time of year! She's a big fan of the holiday season and loves being part of the Christmas festivities.

The necklace was a gift for her from an eccentric aunt*

Plushie Lover

Binx has always had a special love for stuffed animals! Ever since we first brought her inside, she has enjoyed snuggling up with her favorite plush toys.

Fall Kitty

Nothing makes Binx happier than a pile of leaves! She loves rolling around and playing in them, especially when the yard is covered in fresh fallen leaves.
